rheumatism in my hands and legs. Although I tried various remedies and doctors, I obtained no results.

I had also suffered from collitis and kidney treubles for eighteen years and had been treated by more than theirly doctors in Seattle and Oakland. Most of the medicine that they gave me had a bad effect on these organs, and I did not improve in any way.

At last, however, I found most wonderful relief in the FONG WAN HERB TREATMENT. I came to Fong Wan to take the tea for rheumatism but not only has the rheumatism but not only has the rheumatism sone, but my kidneys and intestines are in fine condition and I am free at last from pain.
